CULTURE TIME · FROM LAP TO TAP

EveryBODY has a story...

Whether you know him or not: what might his story be?

WATCH · 1:16

In his own words

Every behavior has a root.

In the moment, we respond to the impact.

THE ROOT · ONE IMPACT

Different behaviors. One impact.

- SLEEPING
- DISENGAGING
- REFUSING TO WORK
- YELLING OUT
- UP AND OUT OF SEAT

THE IMPACT

A barrier to learning.

For that student, or for someone else in the room.

02

The data

LEARNING GOAL

Learners will be able to read where our referral, Restorative Room, and LiveSchool data stand from September to October.

THE DATA · WHAT WE SHARED WITH THE BOARD

Where we started. Where we are.

Source: Restorative Referral Analysis, Jul 30 to Oct 23. Classifications are screening results subject to review.

THE DATA · LIVESCHOOL, GRADES 5 TO 8 · SEPTEMBER TO OCTOBER

When recognition thinned, it thinned most for the students who needed it most.

DBRC STUDENTS

3.4 → 0.7

SEPTEMBER OCTOBER

Praises for every correction.

ALL STUDENTS, GRADES 5 TO 8

86% → 27%

SEPTEMBER OCTOBER

Got at least one point in a week.

Source: LiveSchool, grades 5 to 8. Point totals alone do not predict referrals. This is a pattern, not a cause.

03

How we respond

LEARNING GOAL

Learners will be able to respond to any disruption with action, impact, correction, and return, using the Levels as written.

HOW WE RESPOND · ONE FRAME FOR EVERY MOMENT

Action. Impact. Correction. Return.

ACTION 1

What did the student do?

Only what you saw and heard.

IMPACT 2

What did it do to the learning?

Theirs, or someone else's.

CORRECTION 3

What is the next step on the ladder?

Correct the action, not the child.

RETURN 4

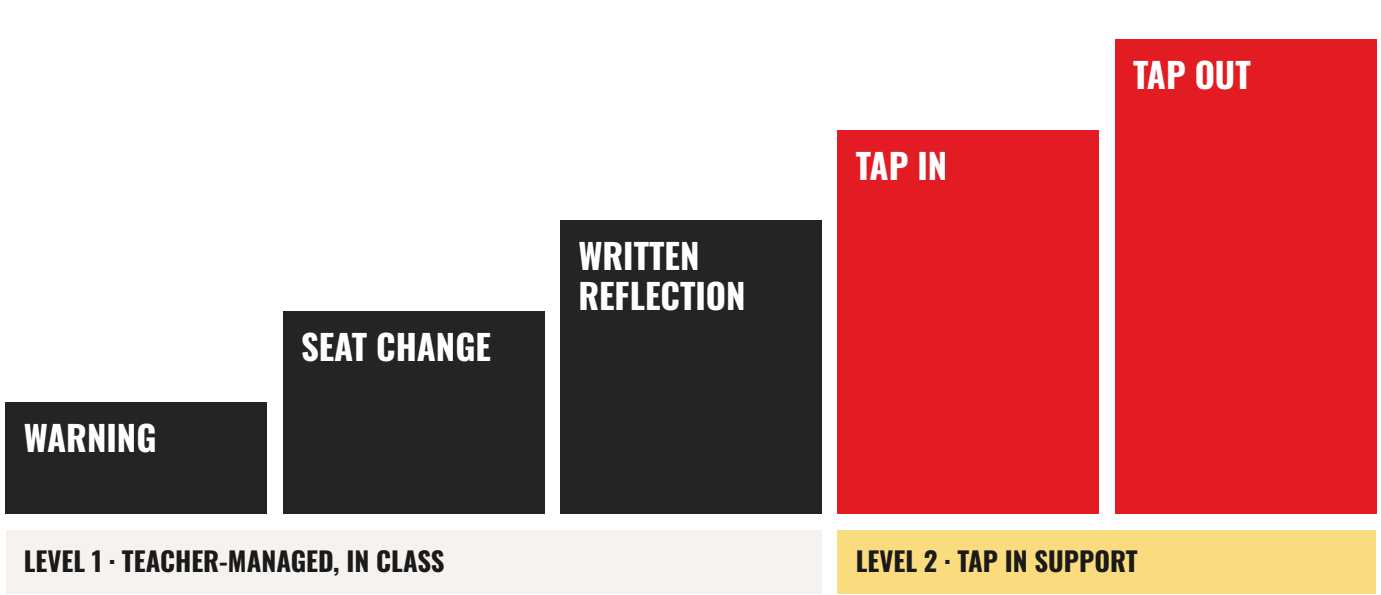

How do they get back to learning?

The goal, every time.

EVERY FREEZE FRAME AND EVERY PRACTICE ROUND TODAY RUNS THROUGH THESE FOUR.

HOW WE RESPOND · CORRECTION · LEVELS 1, 2, 3 AS WRITTEN

The correction is the next step on the ladder.

BETWEEN STEPS

Tally it. Keep moving.

Once the expectation has been said, the mark is the response.

Level 3 is administrative and still goes to the Restorative Room.

RETURN

Removal is sometimes the outcome.

Returning to learning is always the goal.

04

Watch it live

LEARNING GOAL

Learners will be able to name the teacher moves that keep learning going while a disruption is handled.

WATCH IT LIVE · ANCHOR CHART

Lap marks. One pencil stroke each.

ON TASK

IN THE MARGIN

Keep going.

CORRECT

ON THE ANSWER

Check it, then read or do extended work.

LOOK AGAIN

AROUND A SPOT

Something here needs another look.

STILL NEEDS WORK

IN THE EMPTY SPACE

Start here. Skipped it? Put a dot and go on.

A mark tells the student what to do next. Taught in the first days in every room.

WATCH IT LIVE · YOUR ROLE

Act your card. Hunt the moves. Snap for points.

Seated with a card?

ACT YOUR CARD

Play it when your moment comes. Everyone else works the task.

Observer?

HUNT THE MOVES

What she did, when, and why that move at that moment.

Everyone

SNAP FOR POINTS

Two snaps for every LiveSchool point.

HUNT WITH THE FRAME

8TH GRADE MATH · INDEPENDENT PRACTICE

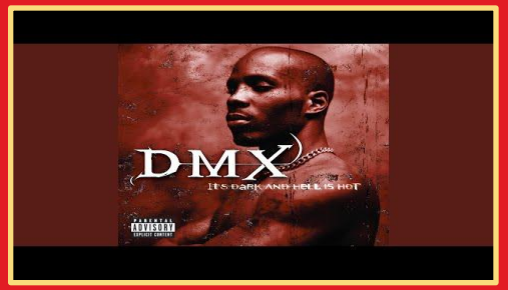

Plot it right, then move it.

1. Plot triangle ABC: A(2, 5) B(−3, 1) C(4, −2)
2. Translate it 3 units right and 2 units down. Plot A′B′C′.
3. Write the new coordinates.

DONE EARLY? CHECK YOUR WORK, THEN READ OR DO EXTENDED WORK.

8.GM.1: Explore dilations, translations, rotations, and reflections on two-dimensional figures in the coordinate plane. Builds on 6.AF.5.

ATTENTION GETTER

THE SONG	THE STEP
STOP	PAUSE WORKING
DROP	PENCILS DOWN
SHUT EM DOWN	VOICE ZERO
OPEN UP SHOP	EYES TRACKING THE SPEAKER

FREEZE 1 OF 3 · PAUSE · REFLECT · RESPOND

What did she do in the first 10 seconds after “This is stupid”?

What did she not do?

Turn and talk, 30 seconds. Then two voices.

ACTION | IMPACT | **CORRECTION** | RETURN

LET'S LOOK AGAIN · POINT A

Walk before you climb.

A(2, 5) is not the same point as (5, 2).

Start at the origin, (0, 0).

Walk first: x = 2. Two steps right.

Then climb: y = 5. Five steps up.

CHECK

(2, 5) and (5, 2)

Same point or different?

Show me with your finger.

BACK TO WORK

Fix point A, then keep going.

1. Look at your point A. Walk before you climb.
2. Check B and C the same way.
3. Translate: 3 right changes x. 2 down changes y.

A ● on your paper marks a spot that still needs work. Start there.

FREEZE 2 OF 3 · PAUSE · REFLECT · RESPOND

Why didn't she address the student again before support arrived?

Turn and talk, 30 seconds. Then two voices.

ACTION | **IMPACT** | CORRECTION | RETURN

FREEZE 3 OF 3 · PAUSE · REFLECT · RESPOND

Which line held the student to a higher expectation without labeling the choice?

Turn and talk, 30 seconds. Then two voices.

ACTION | IMPACT | CORRECTION | **RETURN**

WATCH IT LIVE · DEBRIEF

How many moves did you find?

OBSERVERS One move. When it happened. Why that one.

SEATED Which move did you feel from your seat?

TAP IN RESPONDER What did you walk into?

THEN: THE TEACHER MOVES KEY. ALL 36 MOVES, WITH THE REASON FOR EACH.

YOUR TURN · HOW A ROUND WORKS

Every round: 12 minutes. Three seats rotate.

SEAT	ROUND 1	ROUND 2	ROUND 3
Teacher	A	B	C
Actor	B	C	A
Move hunter	C	A	B

A, B, C: alphabetical by last name. The move hunter also makes one call-out.

SET UP	RUN	DEBRIEF
2 MIN	6 MIN	4 MIN

DEBRIEF THROUGH THE FRAME

1. Fourth member opens.

2. Move hunter: the action, the impact, the moves found.

3. Teacher: the correction and the return. One move to keep, one to change.

THE ATTENTION GETTER STARTS AND STOPS EVERY ROUND.

ROUND 1 OF 3

Regulation: the sleeper

THE ACTOR

Head down before the first lap. Lifts it at each visit. Sits up and starts on the third.

SEATS

Teacher A teaches

Teacher B acts

Teacher C hunts moves

1:10	1:12	1:18	1:22
SET UP	RUN	DEBRIEF	ROTATE

Same calm visit every time. In the debrief, name the action, the impact on that student's learning, the correction, and the return.

ROUND 2 OF 3

Access and clarity: “I just don't understand”

THE ACTOR

Doesn't start. On the mastery lap: “I just don't understand.” Tries the next one after the dot strategy.

SEATS

Teacher B teaches

Teacher C acts

Teacher A hunts moves

1:23	1:25	1:31	1:35
SET UP	RUN	DEBRIEF	ROTATE

Have the dot strategy ready. Refusal is often not understanding. Ask before you assume.

ROUND 3 OF 3

The full ladder: repeat disruption

THE ACTOR

Calls out after the attention getter. Keeps going through the warning, the seat change, and the written reflection.

SEATS

Teacher C teaches

Teacher A acts

Teacher B hunts, then joins as a spectator

1:36	1:38	1:44	1:48
SET UP	RUN	DEBRIEF	ROTATE

Tap In responders, you're on. When you hear the call, come in and hold the group. The teacher takes the hallway.
