TEACHER MOVE HUNT

A move is anything the teacher does on purpose to protect the learning: where she stands, what she says, what she does not say, a mark, a signal, a silence. Find as many as you can.

WHAT SHE DID
Words or actions only. Write what you saw and heard.

WHEN
What was happening right before it.

WHY THAT ONE
Why that move, at that moment, instead of a bigger one.

#	WHAT SHE DID	WHEN	WHY THAT ONE, THEN?
