FORM B · FACILITATOR TO TEACHER

STUDENT PERSPECTIVE NOTE

Deliver privately before the student returns.
This note shares what the student experienced.
It is not a finding about the adult.

STUDENT _____ TEACHER _____ IRI DATE _____

1 WHAT THE STUDENT SAID HAPPENED

Use the student's own words in quotation marks where possible.

2 WHAT THEY FELT RIGHT BEFORE

3 WHAT THEY NEEDED AND DID NOT GET

4 THEIR OWN CHOICE, AS THEY NAMED IT

5 REPAIR CHOSEN FROM THE MENU

6 THEIR PLAN FOR GOING BACK

FOR THE TEACHER, BEFORE RE-ENTRY

Is there anything from the adult side of this moment worth naming with the student? A short statement, such as "I could have said that privately," shows the student that repair runs both ways.

FACILITATOR _____ DELIVERED ON _____ TEACHER INITIALS _____

SCENARIO CARDS

Read aloud during the lesson. Use one per session; a returning student gets a new card. Cut on the dashed lines.

SCENARIO · FAIRNESS

1

The teacher changes the line order. Your friend gets the line-leader spot you usually have.

PAUSE
The moment it feels unfair, before refusing to move.

CHOOSE
Take the new spot · say "I'm mad" out loud · ask the teacher about it later

REPAIR
Rejoin the line. Tell the teacher what was upsetting.

SCENARIO · BUMPED

2

Someone steps on the back of your shoe in the hallway. Your shoe comes off.

PAUSE
Right before turning around to push.

CHOOSE
Check if it was an accident · say "Hey, watch out" · fix the shoe and keep walking

REPAIR
If hands went on someone, check in with them with an adult there.

SCENARIO · FAMILY

3

A classmate says something about your mom in front of other kids.

PAUSE
When the anger rises in your chest.

CHOOSE
Say "Don't talk about my family" · step away · get an adult

REPAIR
Talk it through with the classmate and an adult present.

SCENARIO · LAUGHED AT

4

You miss the ball in gym. Someone laughs and says you didn't even get close.

PAUSE
Hearing the laugh, before saying something back.

CHOOSE
Let it go for now · tell the coach · say "That wasn't kind"

REPAIR
If you said something back, take it back with that classmate.

SCENARIO CARDS

Read aloud during the lesson. Use one per session; a returning student gets a new card. Cut on the dashed lines.

SCENARIO · CALLED OUT

5

The teacher asks for quiet and says your name in front of the whole class after a few reminders.

PAUSE
Feeling singled out, before talking back.

CHOOSE
Lower your voice · ask for a break · talk to the teacher after class

REPAIR
Tell the teacher privately what felt hard about that moment.

SCENARIO · THE SCORE

6

At recess, two classmates argue with you about the soccer score and get in your face.

PAUSE
When everyone's voices start getting louder.

CHOOSE
Walk to the other side · ask an adult to settle it · let the score go

REPAIR
Say "We're good" or shake hands before class starts.

SCENARIO · STUCK

7

Work time starts and your pencil is gone. Everyone else is already working.

PAUSE
Before deciding to quit the work.

CHOOSE
Use the class pencil procedure · ask a neighbor · raise your hand

REPAIR
Finish the work that was missed.

SCENARIO · NOT SAFE

8

You hear that some kids plan to jump you after school.

PAUSE
When fear makes you want to strike first.

CHOOSE
Tell a trusted adult right away · stay near adults

REPAIR
No repair needed. Getting help is the right choice.

FACILITATOR
